

The Yarn Train Song! (2013)

by Katie Kent

*New last verse by Barb Simonds!

I'm goin' on the Yarn Train
To Portland City...
Gonna buy some yarn there,
To make somethin' pretty
And when that train leaves from Seattle, you're not gonna wanna be left behind
'Cuz on that Yarn Train, you know we'll have a good time!

And on that Yarn Train
We won't be sitting (no, no)
We're gonna be lookin' around
To see what people are knitting...
We'll be touchin' cashmere sweaters and showin' off the goodies that we buy
'Cuz on that Yarn Train, you know we'll have a good time!

At the station
Who will meet us?
PDX Knitters will be waving some yarn to greet us!
We'll have lattes down at Stumptown
And talk patterns while in line
When we're in Portland you know we'll have a good time!

Gonna walk the streets in search of Yarn Love,
Buy Shibui Sock so I can make some gloves!
Gonna fondle some Merino, and Polworth too,
'Cuz Portland's where it's at when you've got spinning to do...
Dazzled by Tosh in my happy place,
Gonna roll around in Malabrigo Lace!
Discover the colors around the Blue Moon,
All the knitters and needles sing along with my tune... (What? What? That's right.)

Oh, I went on the Yarn Train
To Portland City...
I bought some yarn there,
It sure is pretty
I got to stay at the Mark Spencer, you know their cookies are divine
And on that Yarn Train, you know we'll have a good time!

Yes, on that Yarn Train, you know we'll have a good time!
